

WAGIN INTERCLUB COMPETITION 2018

Subject: "Follow the Curve/s"

Entries close: Friday, February 2, 2018

Wagin Camera Club, with the support of the Wagin Woolorama Committee, will host the nineteenth Wagin Interclub Competition, entries for which close with last mail received on Friday, February 2.

Accepted entries will be on display at Wagin Woolorama 2018, to be held on Friday and Saturday, March 9 and 10, at the Wagin Showgrounds. If space permits, all entries will be hung.

This competition is open to clubs affiliated with the WAPF. The subject will challenge the photographer's imagination which should result in a variety of entries. It is anticipated superb images will be received.

A perpetual trophy, plus \$75 will be awarded to the club with the most points and a cash prize of \$100 to the photographer of the overall winning entry, \$50 for the photographer gaining second place and \$25 for individual third place.

Conditions of entry are:

SUBJECT: "Follow the Curve/s" – Prints only (colour or mono)

DEFINITION: Choose a curved line, or lines, for the eye to follow. Architecture, flora, fauna, you will find curves everywhere, limited only by your imagination. (Note: no time/date restriction on images)

- 15 prints per club, with a maximum of 3 per member. No individual entries.
- Mounting: Unmounted prints are not acceptable. Mounts must be **black or white** (no coloured mounts). Maximum size, including mount is 50cm x 40cm. Minimum **image** size: 20cm x 20cm square; 14cm x 25cm rectangular/panorama.
Prints must NOT be framed and shall NOT have any metal loops, fittings or Velcro. Mount thickness **must NOT exceed 7mm**. Prints behind matt board mounts **must have a protective backing board**. Wood chipboard or hardboard is not acceptable. Consider re-using your smaller mounts for A4 size images as the large 50x40 mounts reduce the number of prints which can be hung in the exhibition space. If room permits, all entries will be hung.
- Titles: are for identification only and must not be visible from the front of the print. These details shall be shown on the back in the top left-hand corner and include the author's name, title of print and club.
- Prints gaining an acceptance in a previous Wagin Woolorama Interclub are not eligible. The committee reserves the right to refuse an entry if deemed unsuitable for exhibition.
- Packing: All entries should be packed securely, even if hand delivered, as packing will be used for the return of the entries. Australia Post Tough Bags work well.
- Loss or Damage: All care will be taken in handling entries but the club does not accept responsibility for any loss or damage thereto.
- Entry Fee: \$25.00 per club. Please also include **return postage** (stamps accepted however must not be international stamps, as these do not include GST). Pre-paid Australia Post "stickers" are **NOT** acceptable as these do not show the true mailing office for return postage nor the correct date so therefore (we are told) are illegal and will not be accepted by Wagin Post Office for return mail.
- Wagin Camera Club seeks to hold your prints for review at its meeting on March 19.
